The Service You Deserve

When you're focused on getting help for yourself or someone you care about, the last thing you want to do is navigate the fine print of insurance paperwork or endure long phone calls to verify policy details.

One of the many benefits of contacting Life Center of Galax is that our experts can work directly with public and private insurance providers to confirm your coverage and secure approval for your care.

Public & Private Insurance Accepted

Public Insurance

Life Center of Galax is proud to accept patients whose care is covered by the Virginia Department of Social Services (VDSS), the Virginia Department of Medical Assistance Services (DMAS), Community Mental Health Centers for Public Funding, Substance Abuse Residential Purchase of Services (SARPOS) funding, and other public sources.

If you have any questions about your eligibility for these funding sources, or if you need assistance accessing any public benefits to which you believe you may be entitled, please contact us at your convenience.

Private Insurance

Our insurance support includes direct billing of private providers on a fee-for-service basis. The following are among the many major insurance companies with whom we have worked:

- Aetna
- Blue Cross/Blue Shield
- Cigna
- ComPsych
- Gateway Health Alliance
- Optima/Sentara
- Tricare
- United Behavioral Health (UBH)

Please note that this is not a comprehensive list of all the insurers who may cover care at Life Center of Galax. If you don't see your provider on this list, or if you have any other insurance-related questions, please contact us at your convenience.
